MENTORSHIP PROGRAM

Check this box if you do want to be enrolled in this program:

All new members of the Member SE, Member, and Associate grades will be enrolled in the Mentorship Program as a mentee, if desired, which pairs up new members with current active members to introduce them to the organization (see page 2 of the membership application for details).

YOUNGER MEMBER FORUM

Check this box if you are 35 or younger, or have graduated within the past 10 years.

Enclosed is an initiation fee in the amount of: \$40 for Member SE, Member, Affiliate, Industry, & Corresponding, \$25 for Associate, \$10 for Students. Transfer Fee is \$15. If elected to membership, I agree to subscribe to the Articles of Incorporation and the Bylaws of the Structural Engineers Association of San Diego.

Signature _____ Date _____

Return both pages of application to : SEAOSD, P.O. Box 26876, #203, San Diego, California 92196-0876

If you have any questions call (619) 223-9955. If you require a receipt, please include a self addressed stamped envelop.

Dues to SEAOSD and SEAOC are not deductible as a charitable contribution but may be deductible as an ordinary and necessary business expense.

A portion of dues, however, is not deductible as an ordinary and necessary business expense to the extent that SEAOC engages in lobbying activity.

The non-deductible portion of dues is estimated to be 5 percent.

MEMBERSHIP GRADE DESCRIPTIONS AND APPROXIMATE ANNUAL DUES

MEMBER SE \$190.00/YEAR	A Member SE in this Association shall be a civil engineer registered in the State of California with authority to use the title Structural Engineer. A Member SE has voting rights and is eligible to hold any elected position in the organization.
MEMBER \$190.00/YEAR	A Member in this Association shall be: a) A Civil Engineer registered in the State of California regularly engaged in the practice of structural or related engineering or, b) A person who is conducting research in or holding a teaching position in structural or civil engineering at a university or college, and who in the opinion of a majority of the Board of Directors has established such achievements in structural engineering as to qualify for the grade of Member. A Member has voting rights and is eligible to hold the position of Secretary only.
ASSOCIATE MEMBER \$95.00/YEAR	An Associate Member shall be a structural, civil or architectural engineering graduate who is not eligible for Member or Member SE.
AFFILIATE MEMBER \$152.00/YEAR	An Affiliate Member shall, in the opinion of the Board of Directors, be qualified by position in an allied field cooperating and/or working closely with structural engineers in the advancement and practice of the technical and professional aspects of structural engineering. These individuals include, but are not limited to, geologists, CAD technicians, draftspersons, inspectors, surveyors, material testing technicians, architects and attorneys.
INDUSTRY MEMBER \$190.00/YEAR	An Industry Member shall, in the opinion of the Board of Directors, be qualified by a position in our industry cooperating with structural engineers and by expression of interest in supporting the goals and purposes of this Association. An Industry Member shall have all the privileges, duties and benefits of a Member except an Industry Member may hold no office and shall have no vote.
CORRESPONDING MEMBER \$190.00/YEAR	A Corresponding Member shall, in the opinion of the Board of Directors, be qualified by expression of interest in supporting the goals and purposes of this Association. A Corresponding Member is one not included under other membership categories.
STUDENT MEMBER \$25.00/YEAR	A Student Member at the time of admission to this Association is an engineering student interested in structural or related engineering who is enrolled full time in an accredited engineering school or college.

Dues to SEAOSD and SEAOC are not deductible as a charitable contribution but may be deductible as an ordinary and necessary business expense. A portion of dues, however, is not deductible as an ordinary and necessary business expense to the extent that SEAOC engages in lobbying activity. The non-deductible portion of dues for 2005 is estimated to be 5 percent.

SEAOSD Committee Participation:

Participation on a committee often is the most rewarding benefit of membership. Please indicate the committee(s) of which you would like to be contacted. (Indicate by checking the box of each committee of interest.):

MENTORSHIP PROGRAM:

All new members are encouraged to participate in this rewarding program. The goal of the Mentorship Program is to introduce new members to the SEAOSD organization and all it has to offer. This is accomplished by pairing active members with new members upon obtaining membership. The roles of the mentor are: 1) to accompany and introduce the new member at his/her first monthly dinner meeting, 2) to emphasize the importance of SEAOSD committees and enroll the new member in at least one committee (if they desire), 3) to be a resource for the new member through his/her involvement in SEAOSD. All new members of the organization of the Member SE, Member, and Associate membership grades will be automatically enrolled, unless the new member specifically chooses to not participate. If a new member of a different membership grade would like to participate, please note so on the first page of the application.
