September 19, 2017, will be our next meeting. More information

A Message From Your President

It has been a very busy year, and already time for the 2016-2017 board of directors to wrap up the year and transition into a new board of directors. I am thankful to have had the opportunity to have lead SEAOSD this past year and excited to see where our Association will go. Here are a few key activities that I'd like to mention from this year. First off, we are almost ready to roll out a new website with efforts led by Heather and the Board, in particular Director Lisa Bridge. The Existing Buildings Committee has remained active with progress on the non-ductile concrete building survey led by Tony Court and Alex Motzny. Also, EBC vice-chair Peter Maloney is leading the effort to document the Safer Cities Survey, which will illustrate the building ordinances and policies in San Diego County jurisdictions that are reducing the earthquake risks to the buildings in our community. The Sustainable Design, led by Karyn Beebe and James Conley, has been active with multiple events. Also, let's not forgot the sold-out Golf Tournament. YMF has been reinvigorated with Jacqui Le planning a number of events, including a joint event with AIA/ ASHRAE. Our Student Liaison Chair, Chad Closs, and YMF have been coordinating to plan some joint events and site visits to help transition students to younger members in the organization. These efforts, along with the many committee efforts not mentioned, have all been occurring while many of our members have been busy planning the 2017 SEAOC Convention led by Steve Kerr and WenDee Sullivan. If you haven't registered, please visit <https://convention.seaoc.org/>.

Our last member meeting of this fiscal year was our annual awards dinner meeting where two of the winners of the Excellence in Structural Engineering awards provided presentations on their winning projects. The Award of Excellence in Retrofit / Alteration went to Reid Middleton for their Naval Hospital Twenty-nine Palms retrofit project. The Award of Excellence in New Construction went to Hope-Amundson for the i3 San Diego project. The People's Choice award along with Certificate of Merit in Retrofit / Alterations went to KPFF for the Hotel Churchill retrofit project. Special thanks are once again in order to our Awards Chair, Ashley Zautcke, as well as the panel of judges that volunteered an afternoon of their time to review and vote on each of the projects.

As we conclude this year, I would like to take a moment to recognize our outgoing officers. Steve Kerr and Lisa Bridge are both ending their terms as Director and have been active in various roles over the past two years, including the huge roles they are both taking in planning the 2017 Convention. A special thanks to our Past President, Ryan Turner, who has been an officer on the board for the last 7 years including two terms as treasurer, then VP/ President/ Past-President. Ryan's commitment to the organization has been an example to many of us on the board. With that, I'm happy to announce the 2017-2018 SEAOSD Board of Directors:

President - Curtis Patterson, SE
Vice President - Hung Nguyen, SE
Treasurer - Peter Carlson, SE
Past-President - Michael Braund, SE

to follow soon.

Director 2016-2018 - Luvelyn Benitez, SE
Director 2016-2018 - Jeremy Callister, SE
Director 2017-2019 - Steve Crook, SE
Director 2017-2019 - Aaron Beebe, SE
Executive Administrator - Heather Caya

**New Member
Applicant Postings**

Nicholas Sebald ~ Associate

In closing, it is my pleasure to announce that the Board has nominated Ali Sadre to join the SEAOC College of Fellows. SEAOC established the College of Fellows in 1994 to honor esteemed members who have provided distinguished service to the association and made outstanding contributions in the field of structural engineering. Ali will be joining a prestigious group of select engineers and will be inducted into the College of Fellows at this year's SEAOC Convention. With the Convention only in San Diego every four years, I hope you take the time to join us for 4 days of technical and social events with structural engineer colleagues from around world.

**Ryan Slaybaugh ~
Member SE**

It has been my honor to serve as organization President, and I know our members will be in good hands as we transition to the 2017-2018 Board led by President Patterson.

Jeff Bloch ~ Industry

Michael Braund, S.E.

2017 SEAOC CONVENTION

Calling for Members within your companies to join us as we plan the 2017 SEAOC Convention and SEAOSD's 50th Anniversary Celebration! The SEAOC Convention will be hosted at the beautiful Hilton San Diego Resort & Spa in Mission Bay.

USRC Certification & New Membership Opportunities

The US Resiliency Council (USRC - www.usrc.org) is pleased to announce two important new opportunities as it launches its rating system for the earthquake performance of buildings.

1. Join the USRC as we embark upon our mission to implement meaningful rating systems that describe the performance of buildings during earthquakes and other natural hazards.
2. Apply to become a USRC Certified Rating Professional and/or Certified Rating Reviewer to perform and review USRC ratings.

New membership opportunities and benefits are described at www.usrc.org, where you can join online.

Member Dinner!

****Meeting sponsorship opportunities available for the 2017 meetings. Contact secretary@seaosd.org for more details. Future meeting details will be posted on the website (www.seaosd.org) as they become available.**

- The event venue is the Westin Bayshore Hotel, which has an unparalleled waterfront location with breathtaking views in Downtown Vancouver, adjacent to beautiful Stanley Park
- There is a comprehensive technical program based on the theme - Engineering the Future
- There are four on-site pre-conference workshops available Sept 18-20, 2017
- Registration for the full technical program is now open
- Early-bird expiry date is May 31, 2017
- For members requiring accommodation, there are limited rooms available at the special conference rate which are expected to sell out - book early to avoid disappointment:
<http://www.iabse2017.org/general/hotel>
- Web: www.iabse.org/Vancouver2017
- Email: info@iabse2017.org

Note that all rates are quoted in CAD (currently, 1.00 CAD = 0.747 USD).

If you have any questions, please contact me.

Thank you to you and your SEA colleagues for helping to promote the 2017 IABSE Symposium - I look forward to seeing your members in Vancouver next September.
